Thank you for connecting children and families with opportunities.

Because of your generous support, more children will learn to read, and more families will have access to basic needs and become financially secure.

Together, through workplace and individual giving, we raised more than $22 million for our community during the 2015 United Way Campaign.

More than 400 area workplaces and 26,000 individuals supported the campaign and nearly 5,300 volunteers were mobilized to improve lives.

"He’s making big strides reading words, but his confidence is the biggest change I’ve seen." Brenda, a volunteer United Way Reader

Yamal is one of 235 students getting one-on-one reading assistance once a week during the 2015-2016 academic year in Hartford, New Britain, Enfield and Windham. The United Way Readers Program is supported by volunteers and gifts directly to United Way Community Investment.
