2017 UNITED WAY COMMUNITY CAMPAIGN

YOUTH SUCCESS | ECONOMIC MOBILITY | ACCESS TO HEALTH | BASIC NEEDS

FINDING THE BEST WAY.
United Way cares about our community. Just like you. It’s our job to know our community’s toughest challenges. And every day, we find the best way to bring people together to solve the issues that matter most.

As members of our Tocqueville and Constitution Societies, your generous contributions to the 2017 United Way Community Campaign helped us find the best way to improve the lives of local children and families. During the 2017 United Way Campaign, more than 2,500 Tocqueville Society and Constitution Society members gave $1,000 or more.

Your philanthropic leadership investment, combined with other gifts, helped raise nearly $20 million and made a measurable difference for children and families. Here's how:

- 83% of children improved academic performance
- 81% of middle grade students acquired the academic skills needed for high school
- More than 830 people obtained benefits such as SNAP and WIC
- 3,307 individuals found safety/security from domestic violence
- 1,015 individuals received emergency shelter
- $28 million in refunds and credits by 500 volunteer tax preparers

2,305 individuals received access to nutritious meals
2,838 children enrolled in high-quality early childhood programs
390 individuals gained employment
88,045 calls to United Way 2-1-1

“I have a strong commitment to improving the lives of children and families in this region. It is my home and where the focus of my work as president and CEO of The Village for Families & Children lies. The vision, work, leadership and ability of the United Way to bring people together to address the needs of this community and to improve lives is impressive. I give because I see their impact and admire their role in strengthening this community that I call home. And because I greatly appreciate their strong partnership and generous support of the work of The Village, I encourage employees of The Village to give as well.”
