

# 2018 COMMUNITY PARTNERS

## WHY CHOOSE UNITED WAY?

When you give to United Way, you support partnerships and programs that make opportunities possible for children and families. **Together, we are finding the best way:**

- To ensure children stay on track for kindergarten and academic milestones in order to graduate high school college and career ready
- To help people get jobs, manage finances and get on a path to a financially secure future
- To connect families with health services, supporting healthier beginnings and healthier lives
- To provide people with assistance such as food and shelter during tough times

United Way focuses on the **CORE ISSUES** THAT IMPROVE LIVES for people in the 40 towns of Central and Northeastern Connecticut.

## WHEN YOU GIVE TO UNITED WAY, YOU SUPPORT ALL OF OUR COMMUNITY PARTNERS LISTED BELOW.

They ensure that dollars are well-spent to produce real results, and that effective management, governance and financial accountability standards are upheld. Giving to United Way makes it easy for you to make a difference in the community where you live and work.
