

“United Way services gave my family a second chance, which transformed our lives. Volunteering and donating is my way of saying ‘thank you’ to the countless people who made that possible for us, and it helps me to pay it forward so more families can have a financially secure future.”

# OPPORTUNITY FINDS A WAY

United Way understands our community's toughest challenges. And every day, we find the best way to bring people together to solve the issues that matter most. When you give directly to United Way, you're making a difference for local children and families.

Together, we're finding the best way. **Give today.** [unitedwayinc.org](https://unitedwayinc.org)
