UNITED WAY WOMEN UNITED®

LEADING THE CHARGE. INSPIRING THE CHANGE.

WE ARE WOMEN UNITED®

We are a diverse, vibrant community, bound together by a powerful sense of belonging — to each other, to United Way's mission and to the communities we call home. Our Women United® is part of a global network of women leaders, more than 70,000 strong, in 165 communities in six countries.

WE IGNITE CHANGE

Financial struggles may affect families' health and childrens' education. Women United® members empower each other to use our passions, our ideas, our expertise and resources to help women and families in our community achieve financial security.

OUR IMPACT

Women United raises awareness and funds to help ensure that women and families in our community are more financially secure. The programs we support identify financial goals, develop realistic budgets, reduce debt, build savings, increase income and assets and access career coaching.

Last year, thanks to your support:

- Nearly 400 people in job training programs secured employment
- Nearly 12,250 people in central and northeastern Connecticut residents received more than \$31.1 million in tax refunds and credits they've earned through the Volunteer Income Tax Program
- More than 800 people participated in financial management programs
- In addition, since 2011, more than 115 women have saved a total of \$92,560 which is matched dollar-for-dollar by Women United for a total of more than \$159,000 in asset purchases.

HERE'S WHAT'S IN IT FOR YOU

- Drive community change, locally and nationally
- Participate in volunteer projects that make a meaningful difference in our community
- Invest for real impact for women and families
- Network with women who have a passion for the community
- Develop your personal and professional skills

WHY YOUR SUPPORT OF *POWER OF THE PURSE* MATTERS

Power of the Purse provides annual funding for United Way-supported economic mobility programs, making a difference in the lives of hard-working women and families.

One of United Way of Central and Northeastern Connecticut's focus areas is financial security, specifically for **ALICE** households (**A**sset Limited, **I**ncome Constrained, **E**mployed).

ALICE households have incomes above the Federal Poverty level but below a basic cost-of-living threshold.

In our region, four out of ten households are ALICE and struggle to make ends meet. They make tough choices each day, deciding between childcare, nutritious meals, transportation and healthcare.

Visit alice.ctunitedway.org to access the *2018 Connecticut United Ways ALICE Report*.
