LOOKING BACK WITH WOMEN UNITED

“Mindfulness is the awareness that arises through paying attention, on purpose, in the present moment, and with curiosity, non-judgment and acceptance.” — Jon Kabat-Zinn

Mindfulness workshop for members
Thank you to everyone who attended our first event in the “Lead-Hers” Series, Wellness workshop for members, “Mindfulness is the awareness that arises through paying attention, on purpose, in the present moment, and with curiosity, non-judgment and acceptance.” — Jon Kabat-Zinn. Members said that was calming and energizing and I really needed that in response to the mindful breathing exercises we practiced together.
