

## WORDS FROM WOMEN UNITED: MAY 2021 EDITION

### FROM YOUR *POWER OF THE PURSE* CO-CHAIRS

*"The best way not to feel hopeless is to get up and do something. Don't wait for good things to happen to you. If you go out and make some good things happen, you will fill the world with hope, you will fill yourself with hope." – President Barack Obama*

May has arrived and we are beginning to feel the hope and excitement that is ahead. Through the efforts of many individuals who have volunteered and given of themselves, we have together overcome many of the challenges posed by the COVID-19 pandemic. As we look ahead, we are thrilled to be your co-chairs for this year's 10th Annual *Power of the Purse* presented by Key4Women. It is an honor to lead a phenomenal group of volunteers who are working tirelessly to make this year's event memorable and a continued success. We are grateful and beyond proud to be part of such an awesome team, each of you putting yourselves out there and at the heart of restoring families, communities, and economies. This year's event is not to be missed as we look back on 10 years of empowerment and find new ways to connect with one another. We hope we can count on you to participate virtually in this year's event on June 17 and continue to help families achieve financial security!

LIVE UNITED and Stay Safe,
