### WE ARE WOMEN UNITED

We are a diverse, vibrant community, bound together by a powerful sense of belonging – to each other, to United Way’s mission and to the communities we call home. Women United is a global, growing force of 70,000+ women dedicated to creating a world of opportunity— for everyone.

### WE IGNITE CHANGE

Financial struggles affect families’ health and children’s education. Women United members empower each other to use our passions, ideas, expertise and resources to help women and families in our community achieve financial security.

### WHAT OUR MEMBERS ARE SAYING

“Through Women United, I have been able to learn about our wonderful community and do my small part to help uplift and support families. I have also grown professionally and have a better understanding of how to lead in a way that brings heart to what matters most. To top it all off, the networking and friendships built along the way have been life changing!” *–Erica Dean, 2022 Chair, Women United*
