

BECAUSE OF YOU...

ONWARD860>>>

United Way of Central and Northeastern Connecticut invites you to co-create a better future for the 860 region. The Onward860 approach aligns partners - like you! - to end poverty; leverages our collective expertise to deepen impact; connects people with resources and opportunities to make a difference; and, transforms the future with game-changing solutions.

Together, we are creating an equitable community where everyone can succeed. Join us by making a contribution to the United Way Community Campaign.

CLOSE GAPS. CREATE OPPORTUNITIES.

There is a lot more great work happening because of generous people like you.
