Meet ALICE

ALICE® is an acronym for **A**sset Limited, **I**ncome **C**onstrained, **E**mployed – households that earn more than the Federal Poverty Level, but less than the basic cost of living for the county. Households below the ALICE Threshold – ALICE households plus those in poverty – can't afford the basics in the communities where they live.

The Cost of Basics Outpaces Wages

The Household Survival Budget reflects the minimum costs of household necessities (housing, child care, food, transportation, health care, and technology), plus taxes. It does not include savings for emergencies or future goals like college or retirement. The Household Survival Budget is calculated for each planning region in Connecticut (U.S. Census county equivalent), as costs can vary greatly depending on location and household needs.
