United Way is hosting the 52nd Anniversary Golf Tournament, with proceeds benefitting United Way-supported initiatives that help end poverty across the 860 region.

United Way of Central and Northeastern Connecticut and United Way of West Central Connecticut entered a strategic alliance designed to enhance community impact, streamline operations, and expand services across the region. The organization now serves one-third of the state's population across 56 cities and towns. We are proud to continue to host this annual golf tournament with proceeds benefitting the organization and our work to end poverty in the 860 region.
